Service Hours Log 2018-2019

Service Hour Requirement: Students in grades 6-12 are required to serve five hours of service in each of the three following categories: care for the elderly, service to the community, and assistance to the impoverished, for a total of 15 meaningful service hours each year. Students must complete service in at least three different locations. Service at a single location may only count for hours in 1-2 categories but not all three. Only (up to) 5 hours of service to family may be counted towards the requirement. Completion of this annual requirement will be recorded on student transcripts.

Students must submit **three 100 word reflections**, one for a service opportunity in each category. These reflections can EITHER be typed/attached to this sheet or handwritten in the space provided on the back of this sheet.

Log Submission: Service hours are due no later than May 1, 2019. Please have your advisor sign your sheet. Then students in grades 6-8 should submit the form to Mrs. Huntington (Dean of Middle School); students in grades 9-12 should submit the form to Mrs. Warsinske (Dean of Students).

Reflections:

Write a 100 word reflection for a service opportunity that you had in **each** of the three required categories. For **each** reflection:

- Describe the service (where? what? etc.) in the first sentence or two. Then consider:
 - Was the experience what you expected or different? How so?
 - What kind of challenges do the people who you served face that you do not?
 - How can you apply a lesson that you learned while serving to your daily life when you are not actively partaking in “service”?
 - Is there anything that you would like to learn more about based on your service experience?
