

Willows Academy Events Waiver and Release

Important Information

Willows Academy is committed to conducting its recreation and sports activities in a safe manner and holds the safety of participants in the highest regard. Willows Academy insists that all participants follow safety rules and instructions that are designed to protect participants' safety. However, participants and the parents/guardians of participants must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/athletic programs.

You are solely responsible for determining if your child/ward is physically fit and/or skilled for the activities contemplated by this agreement. It is advisable to consult a physician before undertaking a physical activity.

Warning of Risk

Recreational activities are intended to challenge the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/athletic program. Understandably, not all hazards can be foreseen. Participants and their parents/guardians must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreation events or activities exist. In this regard, it must be recognized that it is impossible for Willows Academy or its employees or agents to guarantee absolute safety.
